

‘Uncovering AFRICOM’s Coverup: Mass Grave Discovered in Galguduud’

16 Rabi ul Awal 1445 H (01 October 2023) - Following the brutal massacre of five young children and their elderly grandmother by AFRICOM on Wednesday 06 September 2023 in the village of Ood-weyn, in the Islamic Wilaayah of Galguduud, Harakat Al-Shabaab Al Mujahideen has uncovered new evidence pointing to the extent of US coverup in the operation. A mass grave containing the remains of at least 4 victims was discovered in the vicinity of El-Lahelay village. The shallow grave contained the remains of Kaaha Takar Warsame, a 60 year old grandmother and three of her grandchildren that were all killed in last month’s AFRICOM raid. The bodies of 2 children, whether alive or dead, are still thought to be in the possession of AFRICOM crusaders.

Immediately after the crusader’s massacre of the poor pastoral family, Harakat Al-Shabaab Al Mujahideen’s Office of Politics and Wilaayaat released a statement on the raid, sending condolences to the relatives of the deceased and demanding from AFRICOM the prompt return of the bodies of the victims to their families. In a desperate attempt to absolve itself of responsibility, however, AFRICOM responded by pleading with the public not to believe HSM’s narration of events while at the same time denying any involvement in the raid.

Instead, AFRICOM cast the blame on Somali troops, admitting, however, to airlifting some of the victims allegedly for medical evacuation; a claim now proven to be a bold-faced lie and an attempt to cover-up its massacre of women and children in the village of Ood-weyn. The recent discovery of the Ood-Weyn massacre victims, once again brings to light, not only the animosity of the American crusaders but also of the level of hypocrisy, shamelessness and immorality of AFRICOM and its leadership.

Today, the truth has been unearthed and AFRICOM is guilty of murder and cover-up. Its attempt to deny the facts or employ diversionary tactics to deceive the public have failed and its lies have been exposed. Despite their false slogans of upholding justice, human-rights and transparency, the America crusaders have once again shown their true colours of being nothing more than cold-blooded killers who are intent on oppressing Muslims and undermining the Islamic religion. Allaah, the Exalted said in the Qur’an, **‘With regard to a believer, they respect not the ties, either of kinship or of covenant! It is they who are the transgressors.’** [At-Tawbah, 10]

وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ وَلَكِنَّ الْمُنَافِقِينَ لَا يَعْلَمُونَ

“But honour belongs to Allaah and His Messenger, and to the Believers but the hypocrites know not”
